

The Rome YMCA offers a summer day camp program for children ages Kindergarten through 12 years old (must be enrolled in Kindergarten for Fall 2019). Camp Crooked Arrow runs from 6:30AM to 6:00PM Monday thru Friday during 9 weeks of summer vacation.

Throughout the day, our campers enjoy fun activities such as swimming, arts & crafts, team sports & games, nature activities, character development, songs and more all without television, video games or screen time! Whether at our camp for one week or an entire summer, a YMCA day camp experience will create hands-on memories that last a lifetime.

Nature:
Campers will gain an appreciation for outdoor play and the environment that surrounds us. Campers are able to experience hiking, outdoor safety, wooded play, gardening, fort building, studying animals and their habitats and more!

Arts & Crafts:
Campers are able to create arts & crafts projects that stimulate their creativity and imagination. Through guided instruction, they are given an opportunity to learn new methods of creating art and crafts and how to alter their projects to suit their individual style.

Field Trips:
Special trips are planned throughout the summer to introduce campers to new environments and healthy activities in their own communities!

Swimming:
According to YMCA Summer Day campers, swimming is one of the best parts of each day! Not only is it fun to make a splash, it's a great way to keep cool and active.

Sports:
All campers receive quality instruction on ways to play different sports and group games, while learning the importance of being a good team mate and having good sportsmanship!
