AIM FOR YOUR BEST ARCHERY

The Oneida Family YMCA is partnering with the Oneida Nation to provide archery instruction for all ages and ability levels! Instruction is now available for youth and adults at Oneida Heritage Sales & Rental's Warrior Archery Indoor range.

Learn the history of traditional archery and the impact it had on the Native American culture, while having fun and learning a timeless skill.

Classes are taught by USA Certified Archery instructors with use of long bows. Compound bows are also permitted for those that bring their own.
