PLAY TIME!

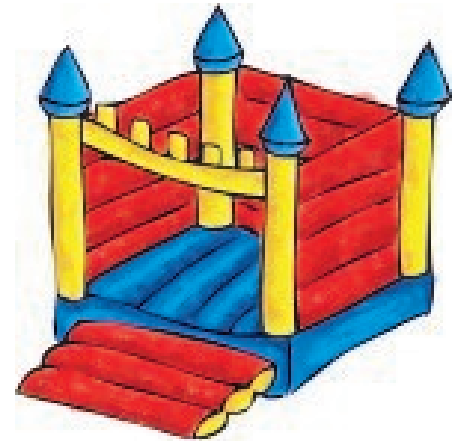

At the Oneida YMCA

12-2 PM

What is Play Time?

Play Time was developed as a time and environment where toddlers with their parents can come participate in activities such as bouncing on bounce houses, using scooters, trying out the Kids Zone, or even using the playground behind our facility. This is a great time to come and spend with your child getting them ready for the next school year or other activities!

What Ages Can Come?

This time is open to children 2 years of age all the way up until they enter Kindergarten. Parents and/or guardians **MUST** participate and supervise their child in order to foster a strong learning environment and make sure they stay safe.
